ArcGIS Basic Training for Water & Wastewater

November 16, 2017 - Jemison, AL
January 18, 2018 - Loachapoka, AL

The Alabama Rural Water Association is conducting a ArcGIS Training Class on the dates and locations listed above. This training will cover ArcGIS Basic Training for Water & Wastewater.

After attending this class, participants should be thoroughly familiar with the fundamentals for using ArcGis Desktop and Terraflex for plotting water and / or wastewater assets. Building a file geodatabase, create maps, edit and analyze data.

Maintaining a good quality of life for Alabama citizens is an ongoing objective. Water is a critical resource in this process and the availability of a good safe dependable source of drinking water is a necessity. This training will be FREE OF CHARGE.
